Rosemont 138kV Transmission Line Project

Existing Land Use

Exhibit A-2

Legend

Land Use

- Agriculture
- Industrial
- Public Lands
- Public/Quasi-Public
- Recreation
- Residential
- Santa Rita Experimental Range
- Utilities
- Vacant/Undeveloped

Project Features

- Substation or Switchyard Site
- Breaker Site
- Proposed Water Pipeline Alignment
- Project Study Area Boundary
- Link Identifier
- Reference Centerline of Alternative
- Milepost Identifier
- Link Node

General Reference Features

- Santa Rita Experimental Range Boundary
- U.S. Forest Service Boundary
- Bureau of Land Management Boundary
- Township Boundary
- Section Boundary
- 345kV Transmission Line
- 230kV Transmission Line
- 138kV Transmission Line
- 115kV Transmission Line
- 46kV Transmission Line
- Interstate
- Highway
- Secondary Road
- Railroad
- Arizona Trail - Existing
- Arizona Trail - Conceptual
- River/Wash

Fort Huachuca Breaker (Tucson Electric Power)

Proposed Toro Switchyard (Tucson Electric Power)

Green Valley Substation (Tucson Electric Power)

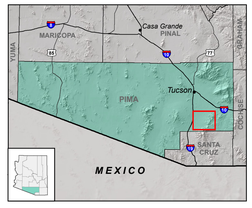

Rosemont Substation (Rosemont Copper Company)

Greaterville Substation (Tucson Electric Power)

Alternative Routes

- Preferred Route
- Alternative Route 1
- Alternative Route 2
- Alternative Route 3
- Alternative Route 4
