Temporary Service Agreement Form

By signing this Agreement, Customer acknowledges and understands that the temporary service at the below-listed address can only be in service for a maximum period of two (2) years from the date of installation, in accordance with Section 15 of TEP's Rules and Regulations.

If the temporary service is still active after two years, a letter will be sent to the Customer of record stating that the service will be removed ten (10) business days from the date of the letter. The temporary service will then be removed on or about that date and the account will be closed.

Notice to Applicants

The default Pricing Plan for Temporary Service and Commercial Service is GS-10. The default Pricing Plan for Residential Service is R-01. Services other than Temporary, Commercial, and Residential please consult the Pricing Plans listed at tep.com.

Please fax or email the signed agreement to (520) 917-8794 or newconstreq@tep.com
