

Customer Usage Data Release

Please complete this form to request a report showing the most recent 12 months of electric use for the TEP account(s) and/or service location(s) indicated below. Be sure to provide an email address for delivery of this report and indicate what data you'd like by checking one or more of the boxes below. TEP will provide a response to most requests within 10 business days.

- Consumption History (12 months)
- Consumption History Including Dollars (12 months)
- Interval Data (if available*)
- Peak Demand

* Detailed interval data may not be available for certain hours or days due to network interference or other temporary conditions. The data delivery system is relatively new, and TEP is working to refine and improve its performance. Missing data will not affect your bill. Subsequent usage readings will be recorded, and the missing data will be interpolated for billing purposes
