

Electric Vehicle Charger Program Application Form

TEP residential customers who purchase and install a qualified Level 2 or higher Electric Vehicle Charger ("EVC") for use with a highway-approved battery electric or plug-in hybrid EV are eligible to receive this incentive for each EVC purchased. EVCs with two-way communication must be Open Charge Point Protocol compliant. Incentive amounts vary depending on EVC amperage and will be credited to your TEP account after eligibility is verified:

- \$200 for less than 30 amps
- \$300 for 30-49 amps
- \$500 for 50 or more amps more

IMPORTANT NOTE: Customers who purchased an EVC online from the TEP Marketplace received their instant incentive at checkout and should not submit this application.

Terms and Conditions

As the owner or authorized representative of the Property, I hereby authorize TEP's employees and authorized agents (collectively the "TEP Parties") to enter upon and into the Property to the extent requested by the TEP Parties to confirm installation of the EVC and verify my eligibility for the incentive. I understand that the TEP Parties will not inspect the installation methods used, nor the equipment and materials used, and I bear all risk associated therewith. I further understand that TEP's determination of incentive eligibility shall not be construed as any verification that the EVC equipment was installed in a safe, code compliant and legally permissible manner. I understand an incentive will be credited to my TEP account only after TEP's verification that all program requirements have been met and if program funds are available. I hereby agree to indemnify and release the TEP Parties from and against any and all claims, liabilities, losses or damages whatsoever caused by products, including the EVC, installed at or in the Property and the TEP Parties' presence at the Property except to the extent directly caused by the gross negligence of the TEP Parties. I may voluntarily provide the personal information required to complete this form. TEP uses this information to fulfil the purpose for which it was obtained. Program Eligibility

To participate in the program, you must:

- Be a current TEP customer.
- Purchase a new Level 2 or higher EVC in this calendar year. Rebates are not offered on used or refurbished chargers.
- Provide proof of purchase that includes the charger serial and model number.
- Use a Time-of-Use (TOU) rate plan for a minimum of two years.
- The product must be purchased from a local retailer, the TEP Marketplace or an online retailer that ships the item to the customer's service address in TEP's territory.
- The charger must be installed at the customer's TEP service address.
- A maximum of two incentives are allowed per premises for each charger purchased.
- NOTE: Net-metering customers are excluded from being required to use a TOU plan if they purchase a two-way communicating charger. Net metering customers with a one-way communicating charger must use a TOU plan.

Application Process

- Complete this application.
- TEP will verify your eligibility and may schedule a site visit.
- Incentives will be given according to the amperage of the EVC.
- Eligible customers will receive a credit on their bill. **Note:** Customers who purchase their EVC online on the TEP Marketplace received a rebate at checkout and should not submit this rebate application form.
- Incentives are based on availability of funding and the program is subject to change or end without notice.

To apply, submit this completed form by email to TEPExistingHomes@tep.com
