

## Landlord's Authorization

The undersigned Owner of the Property described below has leased the Property to Tenant and acknowledges Tenant's plans to use and/or construct improvements to the Property for the purpose of installing and operating the Facilities described below. Owner hereby authorizes Tenant and Tucson Electric Power Company ("TEP") and its employees, agents, and contractors, the following:

- Tenant to submit application for and enter into an Interconnection Agreement with TEP, allowing the Tenant to interconnect Tenant's Facilities to TEP's system.
- Tenant to become a customer of TEP for the supply of electricity to Property and sale of electricity back to TEP, if applicable.
- TEP to enter the property and install, inspect, and maintain TEP interconnection and equipment on TEP's side of the meter.

Owner understands the interconnection application with TEP may be denied, modified, or approved with conditions and that those conditions modifications must be complied with by Tenant prior to TEP interconnecting to the Facilities. All other necessary permissions and requirements between Owner and Tenant shall be documented separately and are not a part of this authorization.
