

SOLAR PROJECT RECORDS RELEASE FORM

Valued Customer,

You, directly or through your Installer of Record, have submitted to Tucson Electric Power Company ("TEP") certain information and records relating to your solar project No. _____ (the "Project"). TEP understands that the Project remains in an "incomplete" status, and you have indicated to us that the Installer of Record is unable or otherwise unwilling to complete the Project. Recently, you, or your New Installer on your behalf, contacted TEP and requested that TEP release all records and information related to the Project in its possession ("Project Records") to the New Installer. TEP now seeks your written authorization to provide the Project Records to the New Installer.

Project Information

Customer Name: _____

Project Address: _____

Installer of Record: _____

New Installer: _____

Authorization

_____ **Yes, I give TEP full permission to discuss and share all applicable Project Records with the New Installer, which Project Records may include, but are not limited to:**

- Previously submitted application information
- Access to previously submitted drawings i.e., plot plan, three-line, meter elevation
- Information regarding requested power kill/TEP design inspection information
- Inspection information

To facilitate TEP releasing my Project Records:

_____ I represent and warrant that I have paid for and own all drawings, designs, and other intellectual property produced on by or on behalf of Installer of Record for the Project and otherwise have the authority to authorize their release.

_____ I acknowledge and agree that TEP is not providing any guidance regarding (i) the ability of the New Installer to complete the Project, or (ii) any effect this transition may have on potential or ongoing claims you may have against the Installer of Record.

_____ **No, I do not give TEP permission to discuss and share my Project Records.**

By selecting **NO** it is understood that information regarding your Project, including the Project Records, will not be shared with any entity other than the Installer of Record, including any third parties hired by the Installer of Record to complete the Project.
